The Program Review Evaluation Team prepares a 3-5 page narrative report, consistent with the self-study standards, addressing all self-study standards (A-H*).

Program Review Evaluation Team Report Template

1) Overview/introductory Statement

2) Program strengths (please reference Standard where appropriate)

3) Program challenges (please reference Standard where appropriate)

4) Areas where the program did not meet the Standards and why

5) Recommendations for change – suggested changes for meeting Standards

6) Additional recommendations and comments from the review team

*Standards:
A – Mission
B – Curriculum
C – Student Learning Outcomes and Assessment
D – Academic Advising
E – Faculty
F – Program Support
G – Relationships with External Communities
H – Results of Previous Program Reviews
