

New Grad RN Residency Program

\$5,000 Signing Bonus!

CommonSpirit Health® Mountain Region has recently made a significant compensation investment in our employees. Apply to move forward and speak with a recruiter to learn how we can invest in you to support your nursing journey!

Our hospital based New Graduate RN Residency Program was built to help you transition from the classroom to having a fulfilling and rewarding nursing career. Our evidence-based curriculum is delivered through a comprehensive 12-month program. Throughout the program, you will be supported by leaders and mentors who genuinely care about your success and will help you become the nurse you've worked so hard to become.
