

Sep 10, 2024 | 📅 USASIE Advisory Council

Attendees: Dr. Ahmad Sims Wendy Holliday Diana Meiser Cora Neal Roy Kwon
Andrea Easter-Pilcher Leslie Park Deborah Uman Nathaly Pimienta Ashley Owens

Agenda:

1. Purpose of USASIE Advisory Council
2. Creating First-Year Structures and Roles of Each Council
3. Running Data Deck for Strategic Councils

Meeting Materials:

1. [USASIE Advisory Council Slides](#)
2. [Data Deck Slides](#)

Takeaways:

Developmental Education - Enhancing Student Progression

- A primary goal should be facilitating students' advancement out of developmental education.
- Alternatives to the term “developmental” should also be explored.
- Higher education institutions should evolve to offer more effective and innovative methods to accelerate student graduation.
- It is crucial to remove barriers to student success while simultaneously improving developmental education.

Developmental Math and English

- Evaluate the current pathways of developmental courses.
- Initiate a discussion on this topic and involve the directors to assess.

Committee Strategy

- When discussing significant changes, ensure that all pertinent parties are included in the conversation.
- Involved parties will be invited as needed.

Delayed Starters

- Collect additional data and investigate factors contributing to delayed enrollment.
 - Examine profiles of delayed starters (e.g., courses, majors).
- Utilize the enrollment deferment form to gain more insight.
