

Automotive Technology Education Program (ATEP)

Letter of Intent

By means of this letter, I would like to reserve a spot in the **Automotive Technology Program**. I am aware of and agree to the following:

- I am required to wear my program uniform to class each day
- I am required to wear my safety equipment to class each day including safety eyewear and closed-toed shoes
- I understand that a personal laptop is required to complete lab work
- I am required to complete one practicum course during the AAS and another one during the BS.
- I am required to obtain my own employment for the practicum courses
- I understand that the practicum courses are a graduation requirement
- If at any time I choose to exit the program, I will notify the main office
