

Hello Everyone! Please feel welcome to reply back to these emails, or contact the person listed within any given piece of information, with any questions that you may have.

Support Your Local Geological Society: Attached is the November Utah Geological Association (UGA) newsletter and a membership form for 2013. Please consider supporting your local professional society by becoming a student member of UGA, which is only \$5. UGA offers a number of benefits and ways to become involved with other local geoscientists (i.e. great networking) -- and membership in a professional society also looks good on a resume. UGA is launching a new online publication series, "Geology of the Intermountain West" (see p. 5 of the newsletter), which will become an excellent outlet for the publication of undergraduate research projects.

Scholarship Reminder: Students must complete the WSU scholarship application annually. Applications are being accepted now with a priority deadline of January 14, 2013. Academic scholarships are awarded based on scholarship application submission date and grade point average. Since there are more students applying than there are available funds, the earlier you apply the more competitive you will be in receiving a scholarship. To complete the Scholarship application, please go to: <https://www.weber.edu/>. Log into your eWeber Student Portal to gain access to WSU's student application.

- a. Click on the Student Services tab
- b. Click on the Scholarship Application in the Financial Service section
- c. Fill in the fields and click the submit at the bottom of the screen

If you experience technical difficulties, Computing Support's IT Service Desk is available 24/7 at (801) 626-7777. Please remember all communication is through your eWeber Portal and Weber email. Both should be checked often. You also have an option of forwarding your Weber email to your personal email.

Photo of The Week:

Photo taken by Matthew Laird; students explore rock formations during a GEO 4060 Field Methods field trip to Little Mountain.

Happy Thanksgiving! Our next newsletter will be sent out Friday, November 30th.
