EXECUTIVE COMMITTEE AGENDA SETTING MEETING
Click on links to review items

Present: Aaron Ashley, Doris Geide-Stevenson, Ed Hahn, Tim Herzog, Rieneke Holman for Casey Neville, Dustin Birch for Blake Nielson, Sheryl Rushton, Barb Wachocki, Kacy Peckenpaugh for Catherine Zublin, Madonne Miner, Brad Mortensen, Patti Glover

Guests: Amy Buckway, John Cavitt, Spencer Hilton, Brenda Kowalewski, Loisanne Kattelman, Leah Murray, Michelle Paustenbaugh, Stephanie Wolfe,

1) Approval of the minutes from the January 9, 2020 meeting as amended.

2) Curriculum – John Cavitt (see page 2 – 7)
Curriculog Justifications for Curriculum & Non-Curriculum Agenda EC Feb 6, 2020

   a) A question regarding staffing of Social Work master's program was raised. John doesn't feel that this is within the purview of UCC but resides with the deans. MSW is requesting some new faculty but noted that currently undergraduate classes are having additional components added to them for the master's students.
   b) All proposals will proceed to senate.

3) Lampros & Library Renovation (Info Item) – Brenda Kowalewski

An overview of tech resources currently on campus and changes that are to be made was given. Currently Brenda's committee is looking for input on the Digital Fluency District which is being created in Lampros and the Stewart Library. This district is needed because of the technologically driven world which is requiring digitally fluent employees. It is hoped that these areas will feel like a safe space for faculty, staff and students to get support. The resources and changes that have already been made on campus have been used by over 2000 unique students to date.

A sustainability line is being added to the budget to keep resources current. It is being proposed that TLF move to Lampros to be closer to the bulk of the technology resources.

4) CRAO – Amy Buckway, Chair

   a) Change Curriculum Committee acronym from CC to UCC
   The University Curriculum Committee requested this change to the bylaws. The item will be read at the upcoming senate meeting and voted on in March.

   b) Adjunct Vote
   The faculty/senator ratio at WSU is lower than many other universities, as a result CRAO recommends that no changes be made to the number of senators. They plan to keep monitoring this ratio. They also recommend that no adjustments be made to the current functions of adjunct senators until input can be gathered and analyzed after the end of this academic year. The broader ramifications of adjunct voting rights need to be considered. No

other university that they are aware of have granted adjunct voting rights. WSU would set a precedent if adjunct are allowed to vote.

5) ASSA – PPM 6-14 Health & Counseling Services– Michelle Paustenbaugh, Chair

   a) The changes to PPM 6-14 are: 1) A section was added that described the availability of Counseling and Psychological Services Center (CPCS); 2) updated description of who is eligible for services at the Student Health Center (SHC) and CPCS; 3) updated description of what services require payment. The document was reworded and vetted by WSU Legal. These services are paid for by student fees. Counseling services are provided for faculty and staff through Blomquist Hale.
   b) Ed brought forth an issue about faculty being harassed by a student in an online class. It was asked if there is something that EC can do to help with this issue. Anything that happens against faculty and staff is not covered by the university, they are recommended to legal counsel that would perhaps be done pro bono. It would be nice to have a website for all complaints, not just student but faculty and staff as well, this would document the issues. Perhaps a charge for how to record faculty/staff complaints and engage legal representation could be considered for next year.

6) SBBFP – (info item)

   a) CUPA - Kendal Beazer
   Ogden cost of living has risen in the last decade or so, it is now showing 100% compared to the national average. In 1996-1997 it was at .9428%. SBBFP proposes that the .9428% be eliminated for CUPA comparisons and WSU be compared to 100% of CUPA. It should be noted that in this CUPA analysis this year's salaries are being compared against last year's CUPA so the results are already skewed down.

   b) Gender Equity - Loisanne Kattelman
   An overview of salary based on gender was given, comparing by university, rank, and college. Gender was also compared using the CUPA equitable salary. SBBFP is proposing to share this information on a yearly basis with the provost who will share with the deans to make any appropriate changes.

   c) Salary Inversion - Spencer Hilton
   The number of inversions are down which seems to show that the yearly sharing of the information with the deans is working. It was also noted that many of the inversions have a compelling reason that supports them. The new salary inversion information will be shared with the deans.

   d) A survey of how any money set aside for raises should be distributed will be circulated to faculty after senate meets this month.

7) APAFT – Melissa Neville, Chair

   a) Tenure & Promotion - Education
   PCP counting for professors had to be added to the documents which instigated the changes. A few other pieces of language were cleaned up. Changes were made by a faculty committee and it was accepted unanimously by faculty. This will be presented in Senate as an action item.

   b) Tenure & Promotion – EAST

   The main changes to the documents included 1) College was reorganized, 2) departments were added 3) Allowed for PCP for full professors 4) Collegiality section was added. All but one

faculty member in the college voted to approve the changes to the policy. This will be presented in Senate as an action item.

c) PPM 8-11,III.C – 3rd Year Successful Review Language

This incorporates the language that was approved for use this year in regard to 'successful' in a 3rd Year Review. The 'Recommendation for Hire' that is given to a faculty member upon hire indicates the time at which when a faculty member goes up for their 'third year'.

d) Charge 2,3,4 Autobiographical Form Changes & PPM 8-11
Peer benchmarks have been used in considering the changes that have been made to these documents. Significant changes that have been made include:

i) Reflecting use of an electronic file
ii) Making sure PPM and Autobiographical form match
iii) Removed departmental and college-wide comparisons
iv) Edited Student Evaluations section to remove numerical and qualitative words
v) Teaching Philosophy section was added. There was a question about if at the university level a teaching philosophy should be added to the biographical form. This could be considered for next year.
vi) Scholarship category was changed to increase inclusion of Arts & Humanities scholarly activities
vii) Student Advising and other Student Success Activities section was added
viii) Added technology section since so many are doing new things in that area

8) Charge 7 PPM Evaluation use in Tenure and Promotion
Decided to include charge 7 with 2, 3 & 4, as an info item.

9) Charge 6 Student Evaluation Process

Colleges felt strongly about this issue, 289 responded to the survey that was sent out. A task force was appointed to do the research. The recommendation from APAFT is:

a) evaluations be given online
b) evaluations open and close at the same time across the University
   i) Evaluations open the day after the semester withdraw date, (week 11).
   ii) Have evaluations open for two week (maybe a few days less) 12:00 am to 11:59 pm.
   iii) Block Classes/Exceptions
      (1) Opens on week 6 for one week and closes on week 7 (after the withdrawal period).
      (2) Run the evaluations from 12:00 am to 11:59 pm
c) Both TLA and APAFT have approved these recommendations.
d) The recommendation also includes development of a brief evaluation survey instrument for use across colleges. The colleges and departments may certainly add to it for accreditation and faculty purposes.

This information does not go into the PPM, it needs to be communicated to Canvas, Deans and Admins. Melissa will get with Andrea Easter-Pilcher who is on the subcommittee to make sure that this information is disseminated to Deans Council. Gail Niklason would like to get this started in summer if approved. The Executive Committee recommend that Senate vote on this proposal.

10) Charge 11 Recommendations Regarding Tenure and Promotion Software Options

a) The digital T&P file management in is currently in Canvas and APAFT is not recommending a change of software at this time. The dated guidelines have been modified to give all reviewers access to the files on the first day of the review. Once a given group is done with their part access will be removed.

b) Revision of Dated Guidelines for Tenure & Promotion PPM 8-12
The EC recommended a clarification be made to the PPM before senate to make it very obvious that the candidates file must be completed when submitted.

11) RSPG Update Updated Form,– Stephanie Wolf, Chair

No funding changes were made this past year, but over the last few years quite a bit of funding has been added. How to deal with the additional money has precipitated the changes to the proposal form. RSPG is evaluating the rubric and form at each meeting. A PDF form has been used because it cannot be shrunk or enlarged which has been a problem. There is a word document that has been allowed to be used as a test.

RSPG is requesting a new charge for next year regarding funding for adjunct proposals of $4000 for the spring semester. This year they are going to give $2000 in fall and spring. With firm statistics from this they would like to advocate for the additional $4000.

12) University Committee List Discussion – Tim Herzog Davis Update
Patti will make the document editable by the committee. Please look at your section of the list and determine if it would be desirable for the committee listed to have senate representation, or to report to the senate.

13) Fixing bylaw typo's – PPM 1-13, C-1.1 – Tim Herzog
Patti will let Sherri know 'instructor' needs to be fixed in this section of the PPM.
